

Color Wheel

STEPS:

- 1** Give students a piece of blank paper (or color wheel worksheet)
- 2** Show students a color wheel example. Allow them to make their own and play with how to mix colors together
- 3** Optional: connect learning the color wheel to science, writing or social/emotional lessons.

Materials:

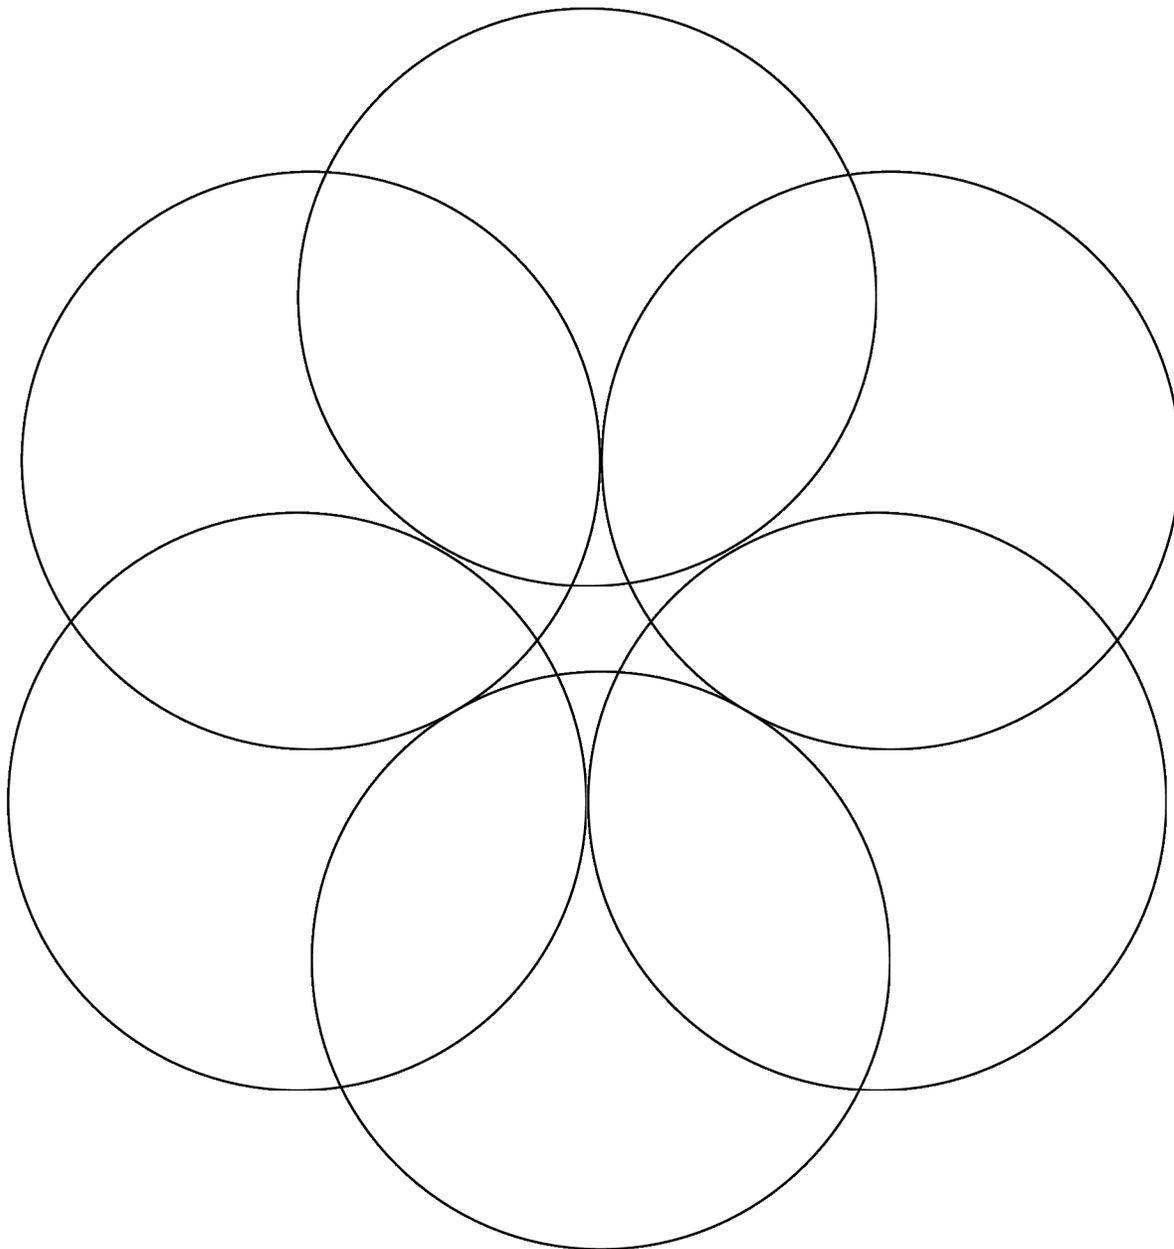

- paper (or worksheet)
- colors of choice (marker, pencil, crayon, paint)

Note: This project gets a "1" rating because it is simple and quick to do at any age level. No shortcuts needed!
