

Place the Face

STEPS:

1. Draw a handful of eyes, noses, mouths, ears, etc...
2. Cut out the eyes, noses, and mouths.
3. Place the items for the faces together. No right or wrong way to do it! Glue to the colored paper.
4. Advanced option: use the “Place the Face” worksheet to help students understand where to place each object “correctly”

Materials:

- drawing paper
- pencil/eraser
- colored paper
- scissors
- glue stick
- Place the Face worksheet (optional)
- colors (optional)

Note: This project gets a “1” rating because it is easy to do for most skill levels. We estimate this project should take about 20-30 min in total.
