Blob Monsters

STEPS:

1. Mix watercolor with water and blob colors on the page. Add more colors to let them mix.
(It's also fun to use a wet cotton ball and then lightly smash it on the page).

2. Let it dry.

3. Draw on top of dried colors and add eyes, horns, legs, claws, etc.
Optional: Use color paper to collage or google eyes.

Materials:

- Watercolor Paper
- Watercolors/brushes
- Markers or pens

Optional: google eyes, color paper, glue, scissors

Note: This project gets a "2" rating because it is easy to do but will take two days (to allow the paint to dry).
